Exclusive Mindfulness Scripts
for Wellness Professionals

Anger Management

The Matrix Mindfulness Practitioner Meditation Collection by Dr. Paras is a comprehensive resource for all aspiring professionals in the areas of wellness and healing. The scripts are written and compiled by Certified Hypnotherapist and Mindfulness Practitioner - Dr. Paras. This collection is a wonderful resource of concepts suitable for all hypnotherapists, NLP Practitioners, Mindfulness Practitioners, psychotherapists, and professionals seeking to use the meditation scripts for their practice. The entire collection is dedicated to emotional wellness with chapters written specifically to raise wellbeing in different areas.

Dr. Paras recommends that professionals can add their own modifications to the script collection during the time of practice.

We, at Matrix, have designed the Mindfulness Meditation scripts particularly for the ease of your use. You can write down your notes in the space provided as well as define where to pause, or lay emphasis on words where needed. This makes the script easy to use for a professional to proceed taking a client towards the trance-like state.

The professional needs to follow the suggested formatting and the pauses along with retaining silence where required. The introduction to the script needs to be read using a normal tone and pace. At times, there may be a need to maintain different lengths of pause in a paragraph. Follow the details mentioned below to achieve the maximum impact. Some words have been highlighted in blue and have been marked as bold. These are an indication to lay emphasis during the reading.

Pause (4-6 seconds)  **Pause (8-10 seconds)**   

A certain number of words are highlighted and marked in bold. These require to be emphasized during the reading for greater impact of the meditation.

The first part of each script requires the practitioner and/or therapist or reader to use a normal tone. This section is the introduction to the script followed by the meditation sessions and suggestions.
