m. Sendinblue Email APS

Main Page: main.php (sendinbluevendor - folder all functions)

sendinbluevendor/autoload.php (sendinbluevendor PHP library)

API key - api-key

required parameter - subject, content, from email, to email

Documentation Link for sendinblue sms api integration :

<https://developers.sendinblue.com/docs/getting-started>

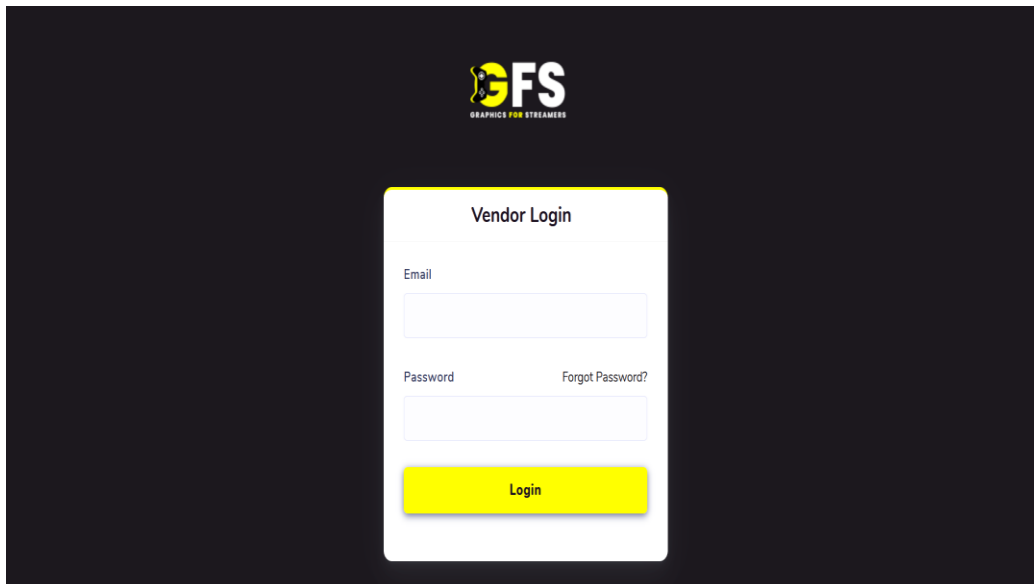

2. The process for creation of Pre-made packages and the overall workflow. (Inc. Screenshots)

Step 1:

VENDOR LOGIN:

Vendor has the option to login into the vendor panel by entering email id and password. Once the correct details are entered, the vendor will receive an OTP on the registered email id to verify. Once verified, the vendor will be able to enter inside the vendor panel.

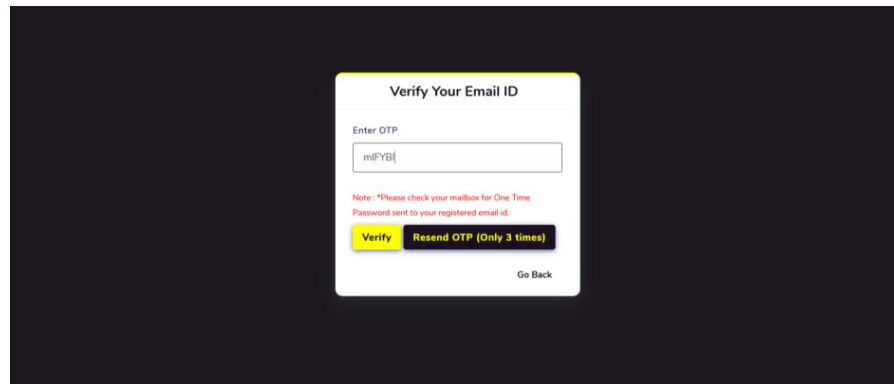

Login URL: <https://mastven.graphicsforstreamers.com/vendor-panel/>

The screenshot displays the 'Vendor Login' interface. At the top center, the logo for 'GFS GRAPHICS FOR STREAMERS' is visible. Below the logo, a white login form is centered on a dark background. The form is titled 'Vendor Login' and includes the following elements: an 'Email' label above a text input field; a 'Password' label above another text input field; a 'Forgot Password?' link to the right of the password field; and a prominent yellow 'Login' button at the bottom of the form.

Step 2:

Enter OTP received on your email and click on Verify.

Verify Your Email ID

Enter OTP

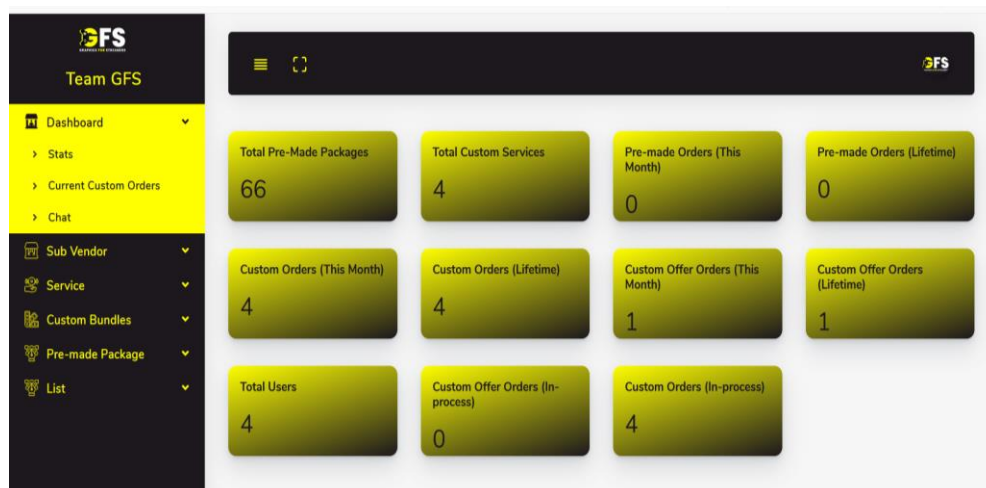

mIFYB|

Note: *Please check your mailbox for One Time Password sent to your registered email id.

Verify Resend OTP (Only 3 times) Go Back

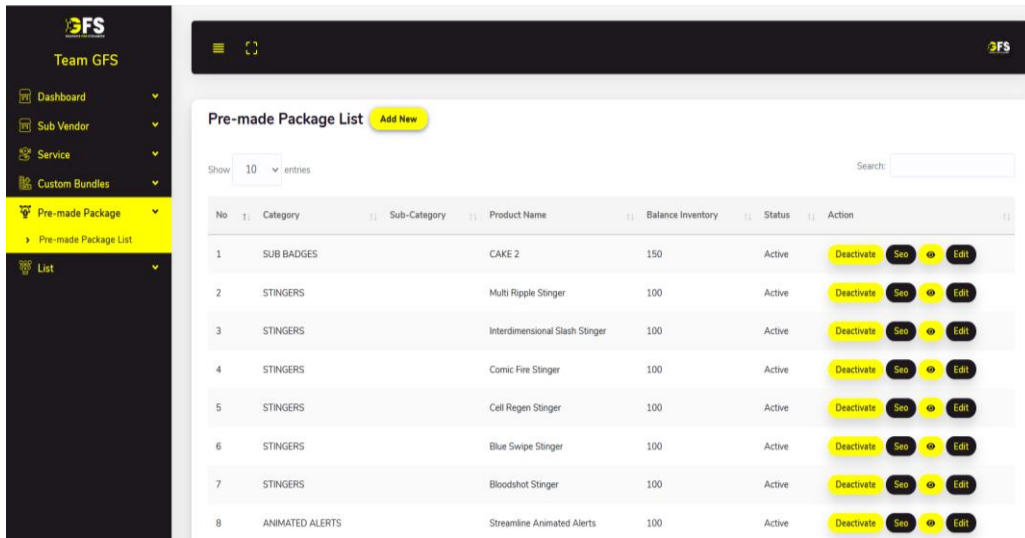

Step 3:

Vendor will be redirected to the Vendor dashboard.

Step 4:

From the left menu section, you have to click on **Pre-made Packages** and under that you have to click on **Pre-made Packages List**. Click on **Add New Button** on that screen:

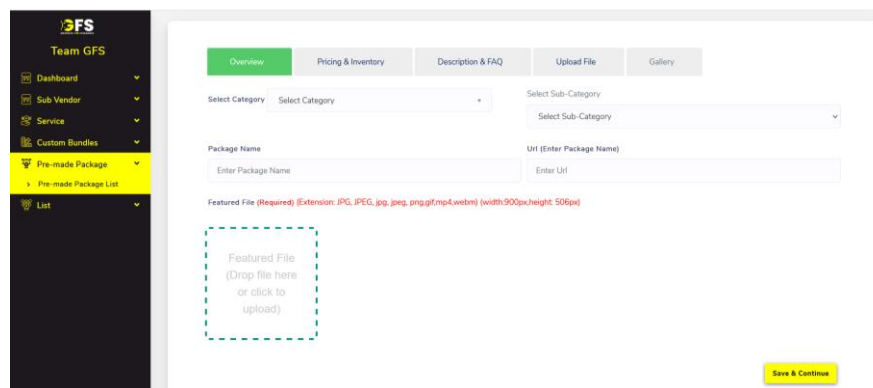

The screenshot shows the 'Pre-made Package List' interface. On the left is a dark sidebar with the 'Team GFS' logo and a menu including Dashboard, Sub Vendor, Service, Custom Bundles, Pre-made Package (highlighted), and List. The main content area has a header with 'Pre-made Package List' and an 'Add New' button. Below the header is a search bar and a 'Show 10 entries' dropdown. A table lists 8 packages with columns for No., Category, Sub-Category, Product Name, Balance Inventory, Status, and Action. Each row has 'Deactivate', 'Seo', and 'Edit' buttons.

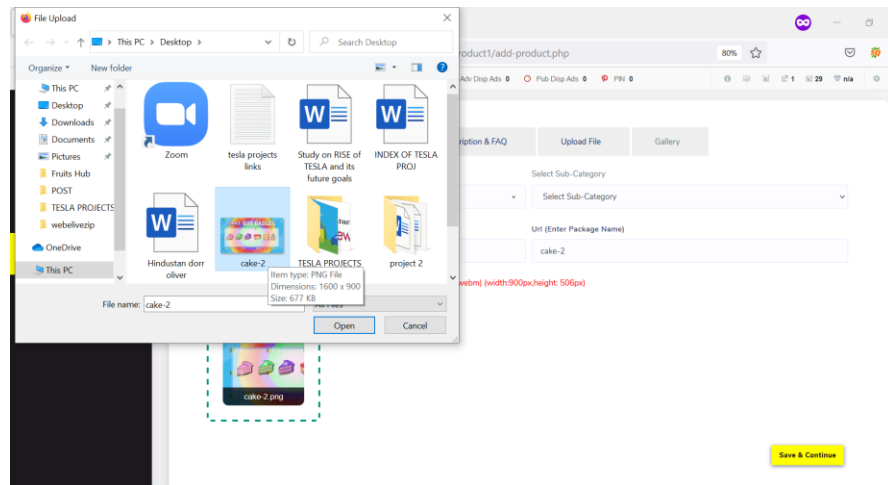

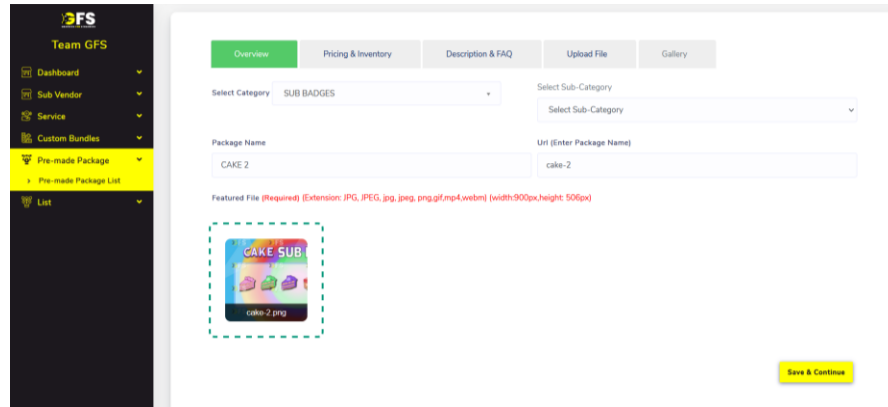

| No. | Category | Sub-Category | Product Name | Balance Inventory | Status | Action |
|-----|-----------------|--------------|--------------------------------|-------------------|--------|---------------------|
| 1 | SUB BADGES | | CAKE 2 | 150 | Active | Deactivate Seo Edit |
| 2 | STINGERS | | Multi Ripple Stinger | 100 | Active | Deactivate Seo Edit |
| 3 | STINGERS | | Interdimensional Slash Stinger | 100 | Active | Deactivate Seo Edit |
| 4 | STINGERS | | Comic Fire Stinger | 100 | Active | Deactivate Seo Edit |
| 5 | STINGERS | | Cell Regen Stinger | 100 | Active | Deactivate Seo Edit |
| 6 | STINGERS | | Blue Swipe Stinger | 100 | Active | Deactivate Seo Edit |
| 7 | STINGERS | | Bloodshot Stinger | 100 | Active | Deactivate Seo Edit |
| 8 | ANIMATED ALERTS | | Streamline Animated Alerts | 100 | Active | Deactivate Seo Edit |

Step 5:

This opens up the Add New Pre-made Product screen where you can start adding the details about the package. Here you will need to select the category and sub category, enter the package name and upload a featured image/mp4/gif.

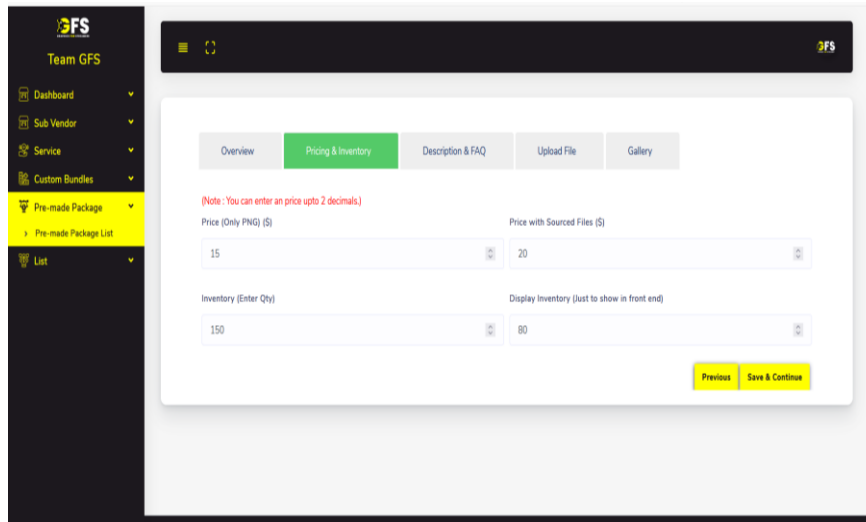

The screenshot shows the 'Add New Pre-made Product' screen. The left sidebar is the same as in Step 4. The main content area has a header with 'Overview', 'Pricing & Inventory', 'Description & FAQ', 'Upload File', and 'Gallery' tabs. Below the tabs are form fields for 'Select Category', 'Select Sub-Category', 'Package Name', and 'Url (Enter Package Name)'. There is a 'Featured File (Required)' section with a dashed box for uploading a file. A 'Save & Continue' button is at the bottom right.

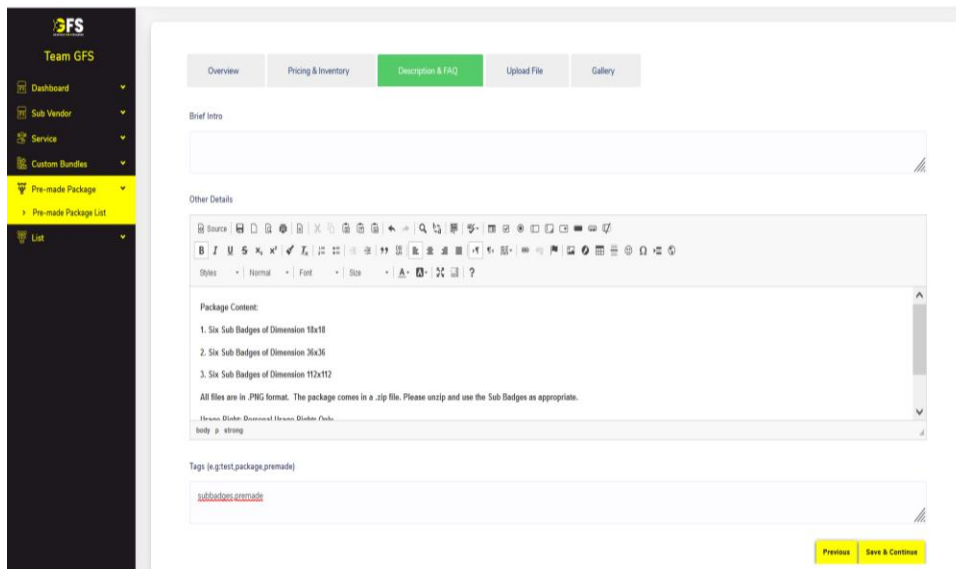

Step 6:

In the next tab you will be able to update the pricing & inventory details. Here you can enter price for PNG and Source File with PNG. Also you can enter inventory quantity. And then lick on Save & Continue to submit pricing and inventory.

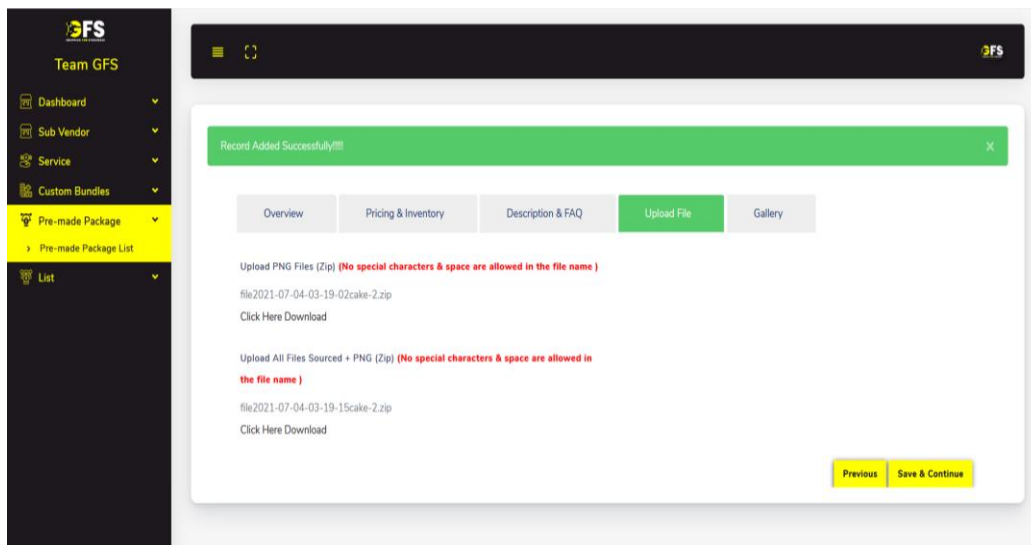

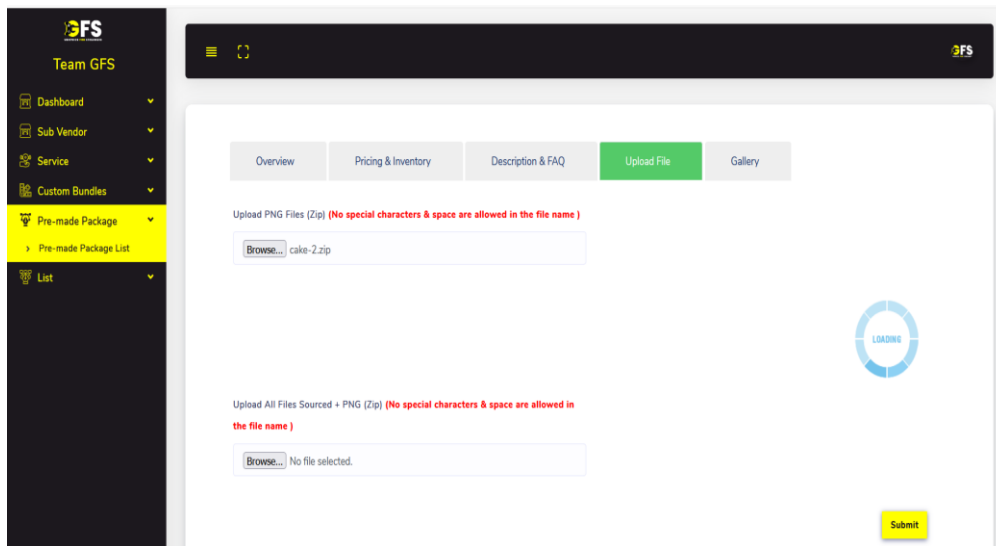

Step 7:

After Clicking on Save & Continue. Next tab will enable description & FAQs section, here you can add description & FAQs. And then Click on Save & Continue to submit description and FAQs.

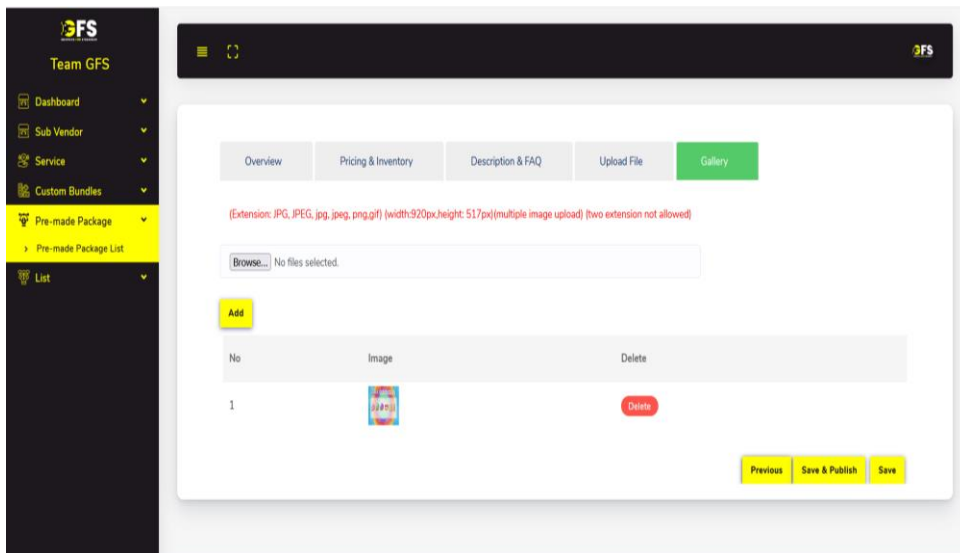

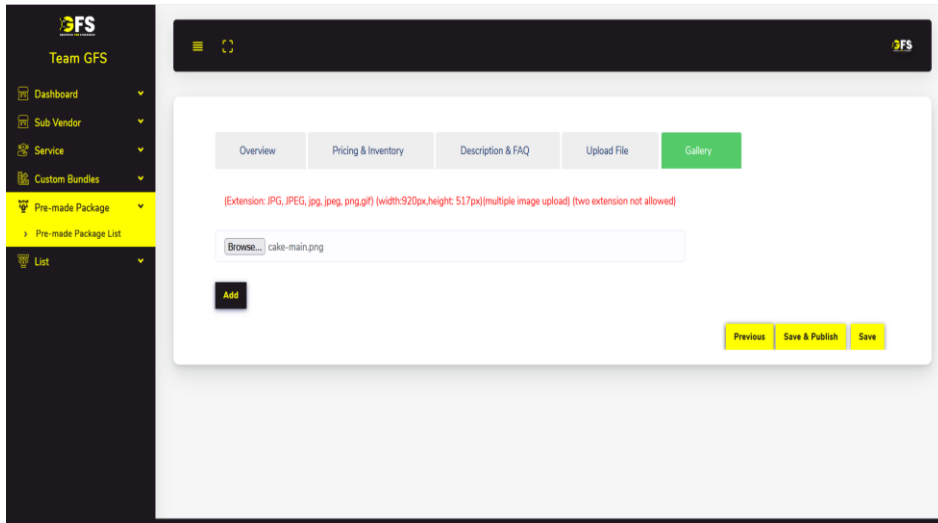

Step 8:

In the next tab you will be able to upload the files (Just PNG Files & PNG Files with Source Files). Once uploaded, click on Save & Continue button.

Step 9:

In the Next tab you will be able to update the gallery. Here you can upload gallery images/GIF/Videos (In Website it will show in showcase of actual product section). You can add multiple images here. Finally click on Save & Publish to publish this package on the website for users to purchase.

Total Users: 4

Custom Offer Orders (In-process): 0

Custom Orders (In-process): 4

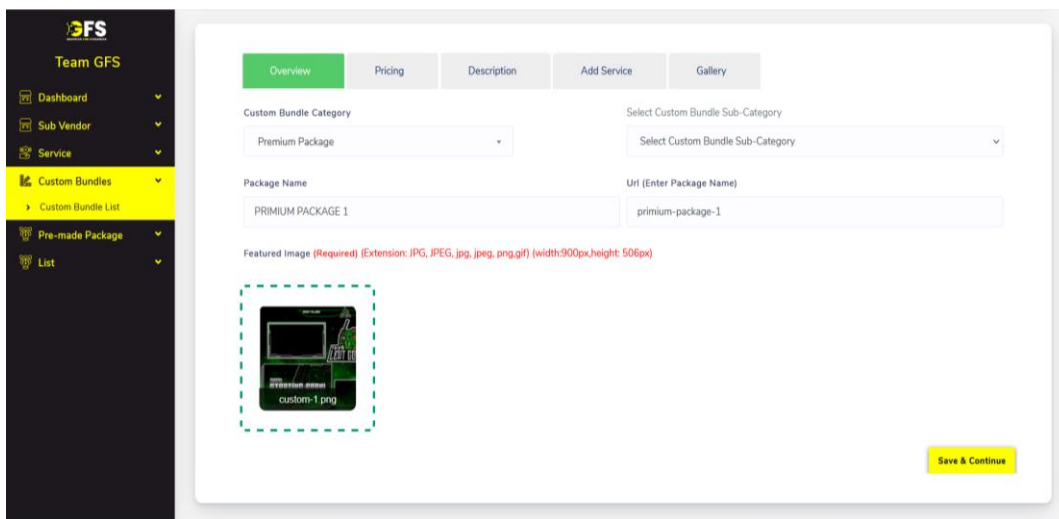

Step 4:

From the left menu section, you have to click on Custom Bundles and under that you have to click on Custom Bundles List. Click on Add New Button on that screen:

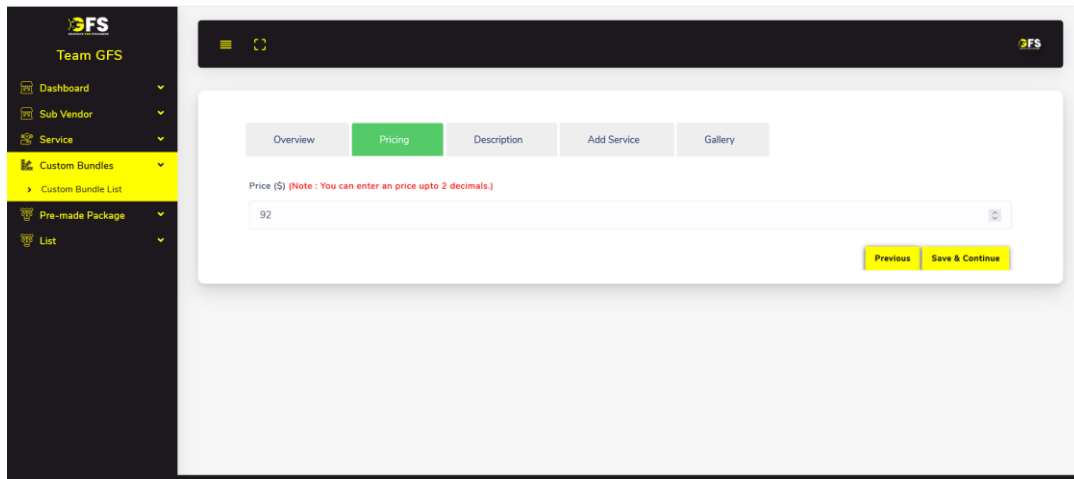

Step 5:

In the first step you can select custom bundle category and sub category, enter the package name and upload a featured image. And then Click on Save & Continue button to move to the next step.

Step 6:

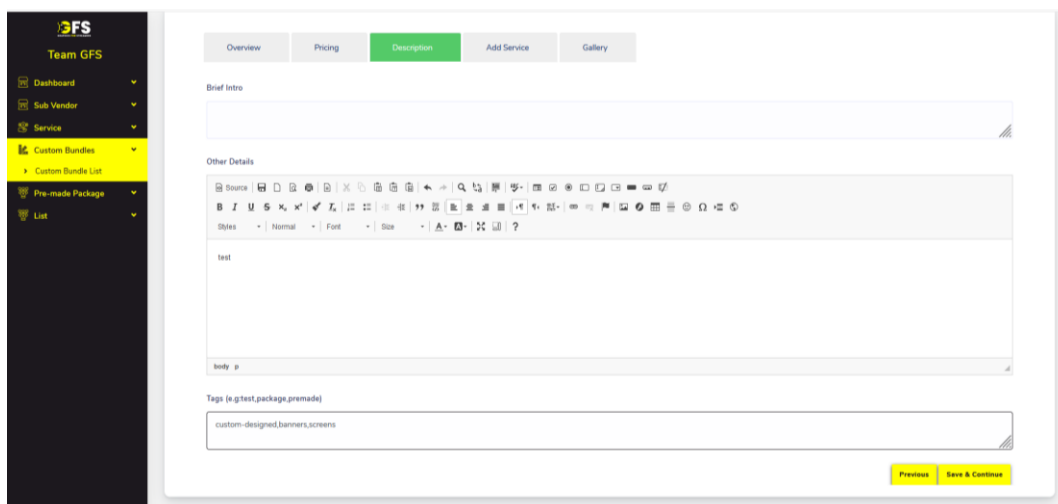

In the next tab you will be able to enter the price for that custom product. And then Click on Save & Continue button.

The screenshot shows the GFS dashboard interface. On the left is a dark sidebar with the 'Team GFS' logo and a navigation menu including Dashboard, Sub Vendor, Service, Custom Bundles (highlighted), Pre-made Package, and List. The main content area has a top navigation bar with 'Overview', 'Pricing' (active), 'Description', 'Add Service', and 'Gallery' tabs. Below the tabs, there is a 'Price (\$)' field with a note: '(Note : You can enter an price upto 2 decimals.)'. The value '92' is entered in the field. At the bottom right of the pricing section are two yellow buttons: 'Previous' and 'Save & Continue'.

Step 7:

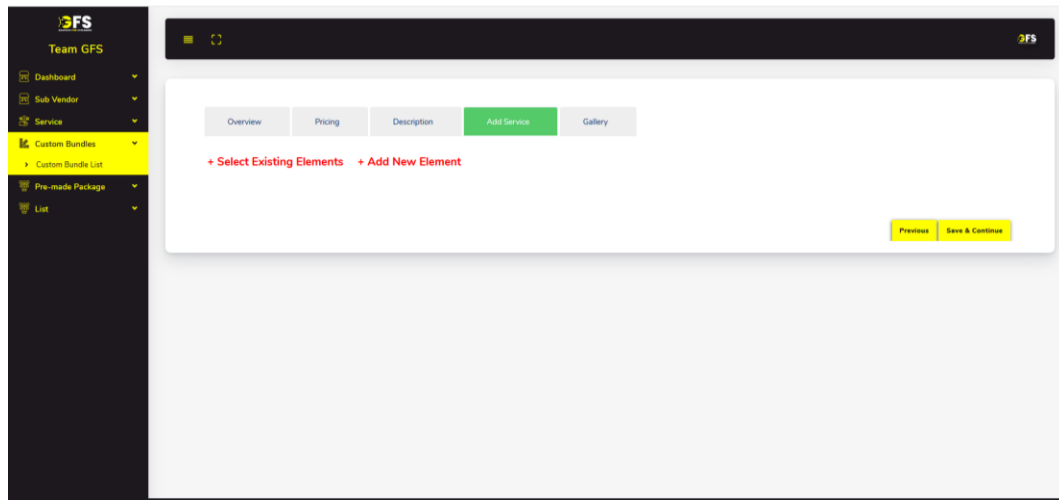

In the Next tab you can add description, FAQs & Tags. And then Click on Save & Continue Button.

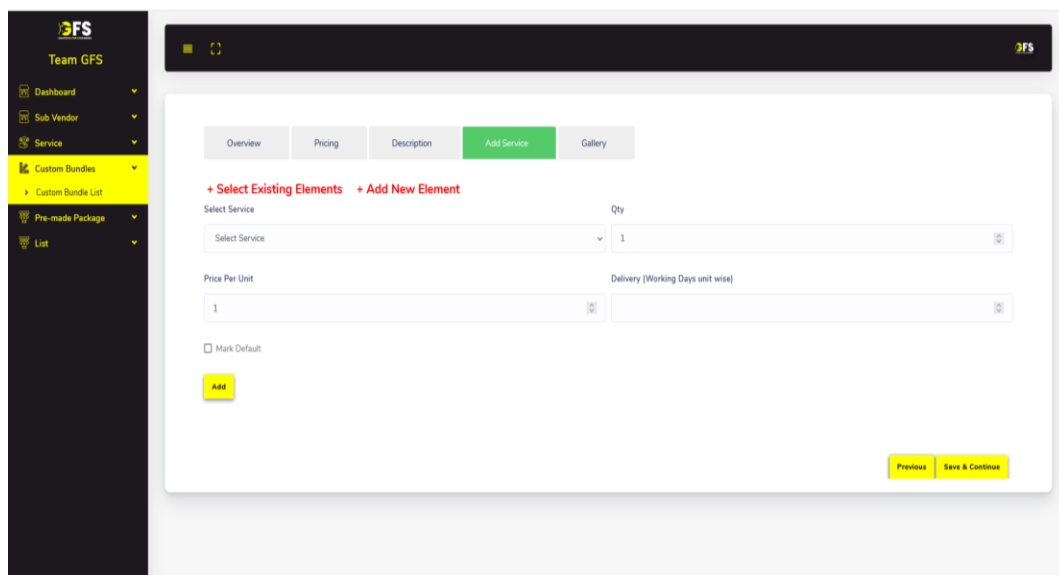

The screenshot shows the GFS dashboard interface with the 'Description' tab active. The sidebar is the same as in Step 6. The main content area has tabs for 'Overview', 'Pricing', 'Description' (active), 'Add Service', and 'Gallery'. Below the tabs, there is a 'Brief Intro' text area. Underneath is the 'Other Details' section, which includes a rich text editor with a toolbar and the text 'test' entered. At the bottom, there is a 'Tags (e.g.test.package.premade)' field containing the text 'custom-designed,banners,screens'. At the bottom right of the description section are two yellow buttons: 'Previous' and 'Save & Continue'.

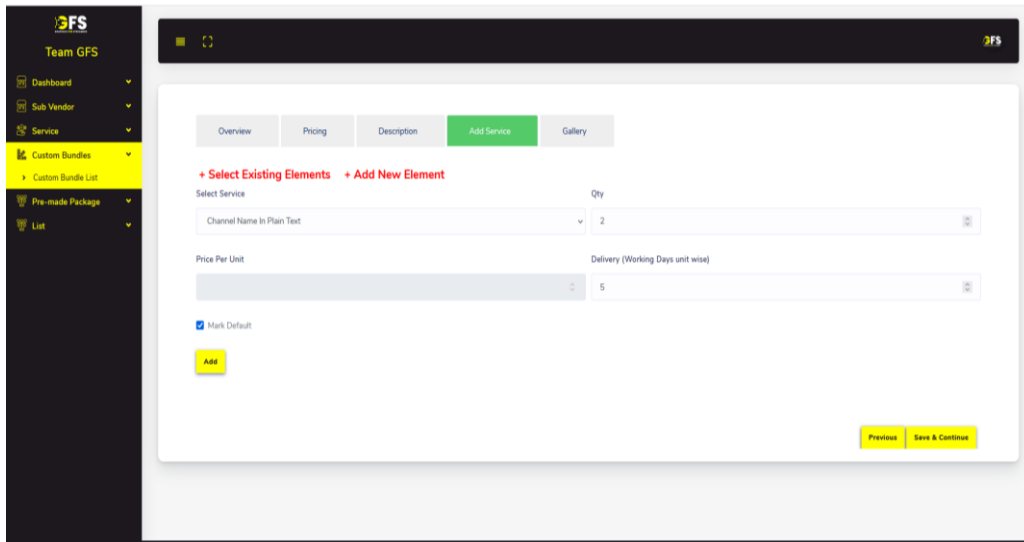

Step 8:

In this section you will be able to add services. You can select existing elements or can add new elements in this section.

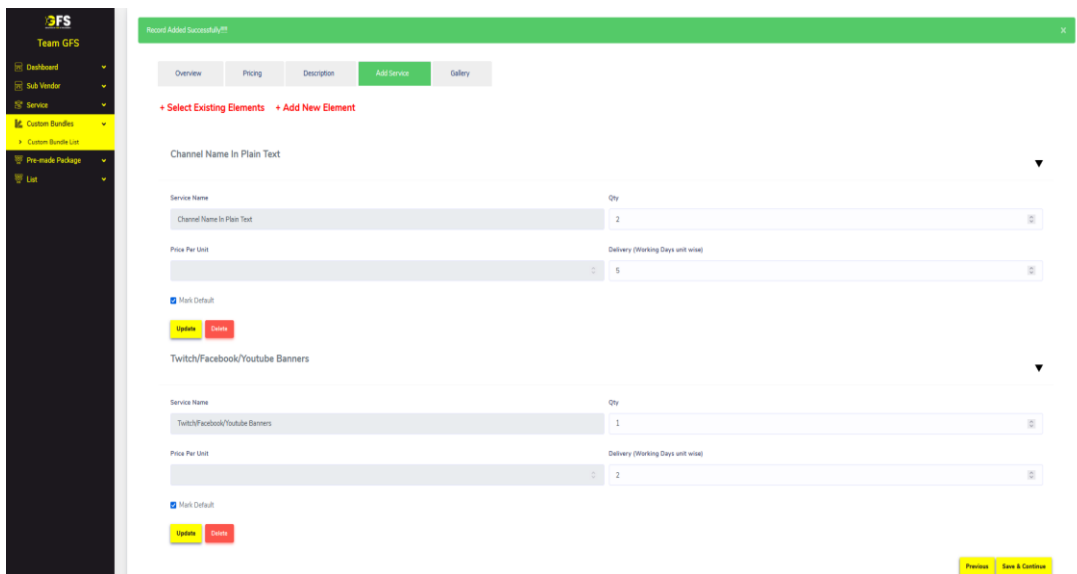

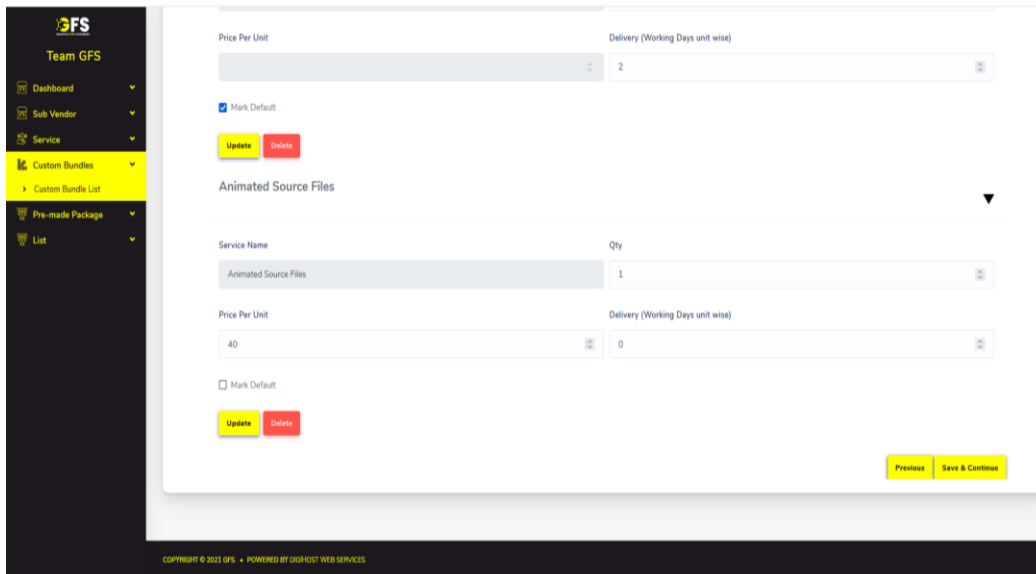

Click on Select Existing Elements to select from the list of existing elements.

On clicking add new element option, you can add new element by adding service name, qty, price per unit and delivery days. Here also you can mark the element as default. Once you mark as default element the price per unit option will get disabled.

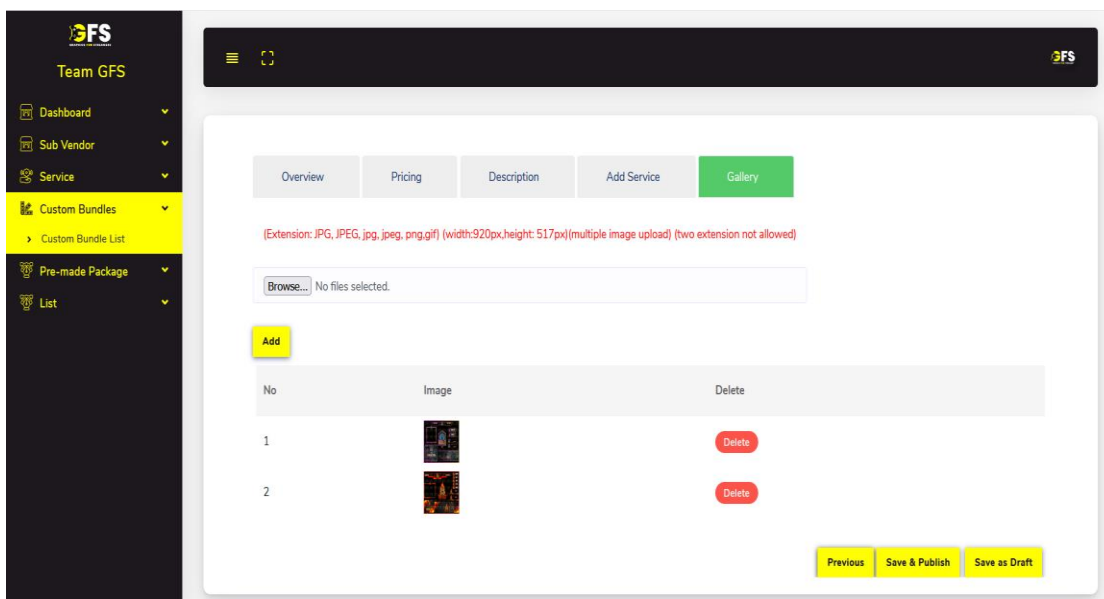

Click on Save & Continue to submit services.

Step 9:

In the Next tab you will be able to add the gallery images/gif/videos (In Website it will show in showcase of actual product section). You can add multiple images. And then click on Save & Publish to get this package published on the website.

4. Complete process for Chat Interface & Its features:

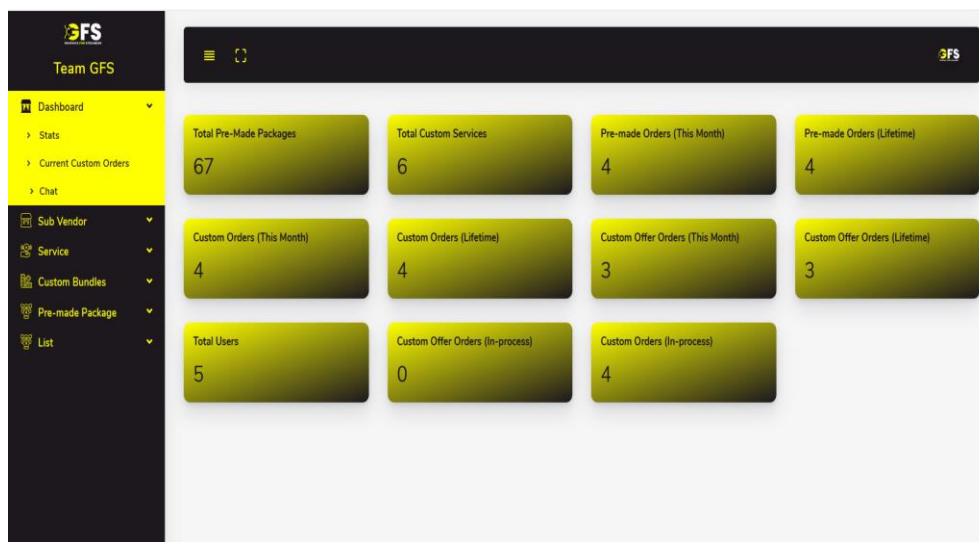

VENDOR CHAT:

Features:

- Send Messages
- Send Images
- Upload Zip File Option
- About User Section
- Premade Order List of Users
- Custom Orders List of Users
- Create Custom Offer Order
- Send Requirement Form Link
- Extend Deadline Option
- Send Payment Link
- Send Feedback Form Link
- Online/Offline Session
- Latest/Recent Chat
- Notifications

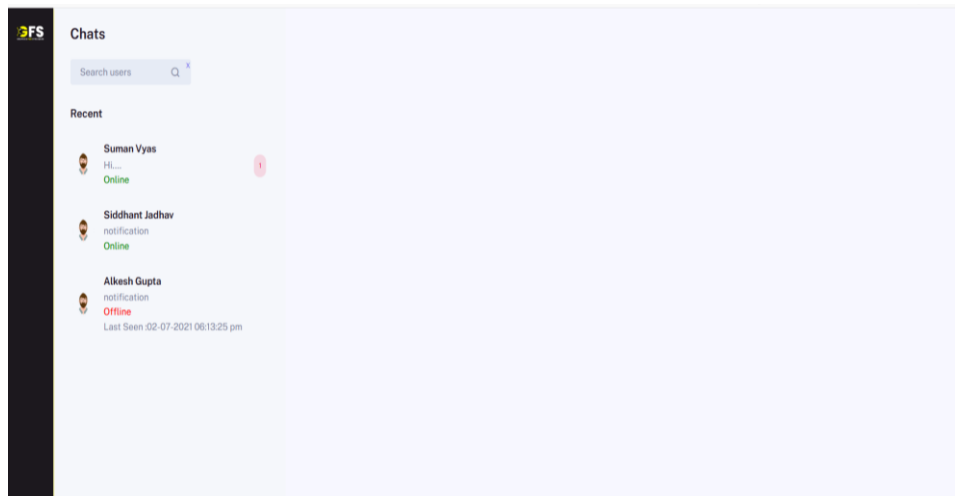

Step 1:

Click on chat option under dashboard.

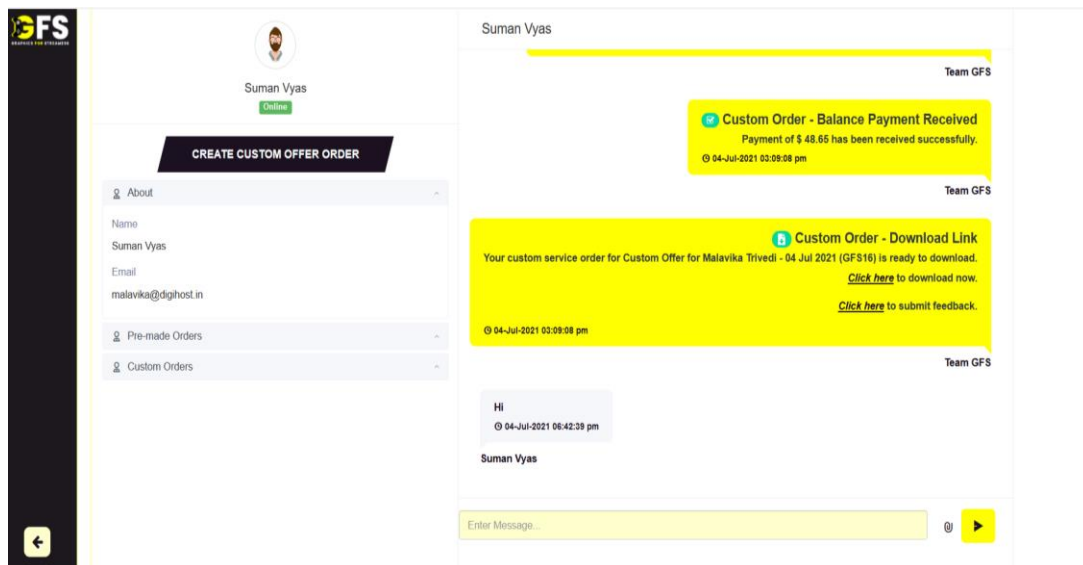

Step 2:

This will show the list of all your active & previous chats. Click on any user to start chatting.

Step 3:

In the chat box, first you will see the latest messages.

Step 4:

In the left section you have the option to see remade orders placed by that particular user.

The screenshot displays a user profile for Suman Vyas with a 'Online' status. The main interface is divided into a left sidebar and a right chat area. The sidebar contains a 'CREATE CUSTOM OFFER ORDER' button, a menu with 'About', 'Pre-made Orders', and 'Custom Orders', and a 'VIEW ALL ORDERS' button. Below the menu is a table of orders:

| Package Name | View Package | Order Status |
|------------------------------|--------------|--------------|
| Halloween Static Alerts Pack | | Completed |
| Eternal Flame | | Completed |

The chat area shows a conversation with Suman Vyas. The chat history includes a message from Team GFS: 'Custom Order - Balance Payment Received' (04-Jul-2021 03:09:08 pm) and another from Team GFS: 'Custom Order - Download Link' (04-Jul-2021 03:09:08 pm). A message from Suman Vyas says 'Hi' (04-Jul-2021 06:42:39 pm). The chat input field is empty.

Step 5:

In the below section You can check existing custom orders placed by that user. Also you can see the status of those orders. (Complete/In Progress)

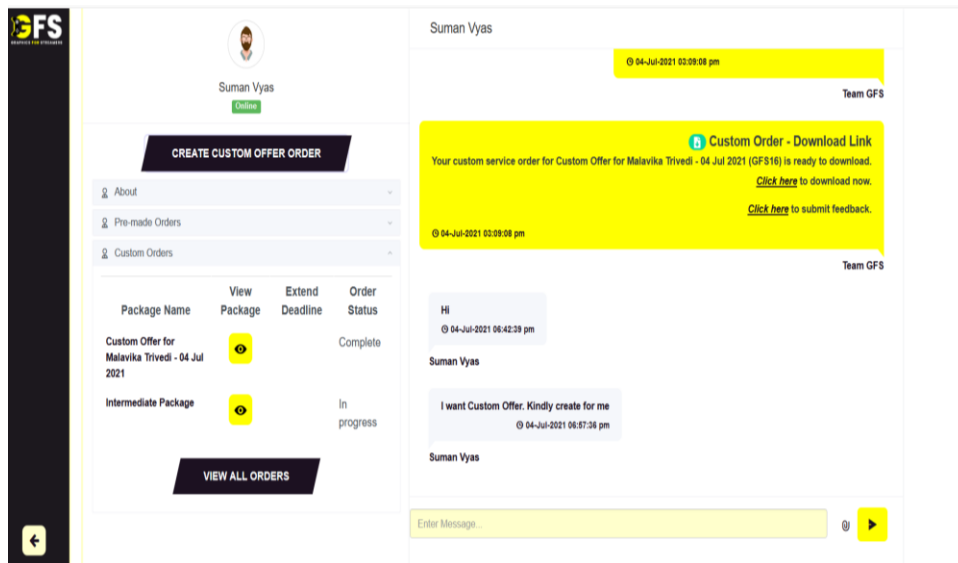

The screenshot displays a user profile for Suman Vyas with a 'Online' status. The main interface is divided into a left sidebar and a right chat area. The sidebar contains a 'CREATE CUSTOM OFFER ORDER' button, a menu with 'About', 'Pre-made Orders', and 'Custom Orders', and a 'VIEW ALL ORDERS' button. Below the menu is a table of orders:

| Package Name | View Package | Extend Deadline | Order Status |
|---|--------------|-----------------|--------------|
| Custom Offer for Malavika Trivedi - 04 Jul 2021 | | | Complete |
| Intermediate Package | | | In progress |

The chat area shows a conversation with Suman Vyas. The chat history includes a message from Team GFS: 'Custom Order - Balance Payment Received' (04-Jul-2021 03:09:08 pm) and another from Team GFS: 'Custom Order - Download Link' (04-Jul-2021 03:09:08 pm). A message from Suman Vyas says 'Hi' (04-Jul-2021 06:42:39 pm). The chat input field is empty.

Step 6:

Vendor can create custom offer order for customer. You need to click on create custom offer order button.

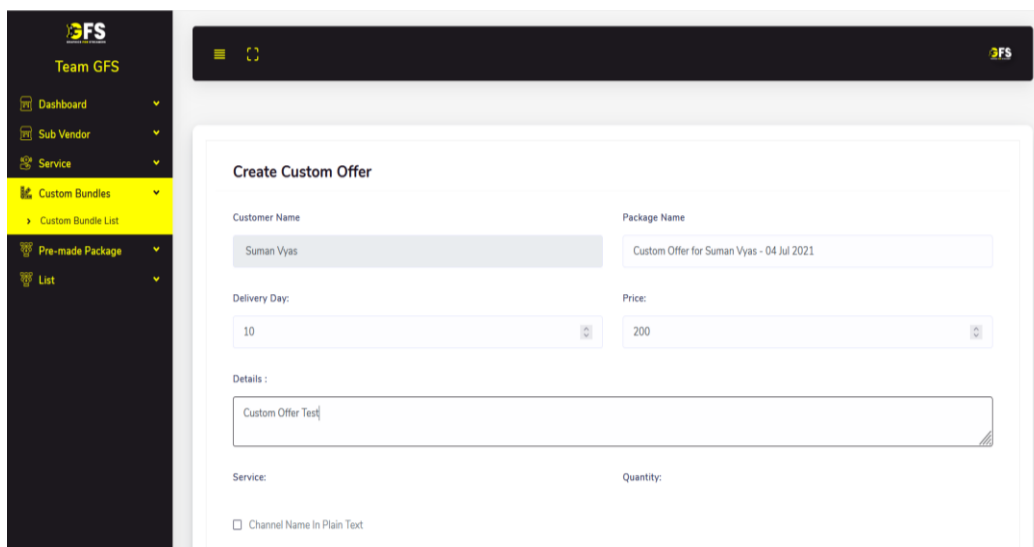

The screenshot shows the GFS vendor dashboard. On the left, there is a navigation menu with options: About, Pre-made Orders, and Custom Orders. Below this is a table of custom offers:

| Package Name | View Package | Extend Deadline | Order Status |
|---|--------------|-----------------|--------------|
| Custom Offer for Malavika Trivedi - 04 Jul 2021 | | | Complete |
| Intermediate Package | | | In progress |

Below the table is a "VIEW ALL ORDERS" button. The main area shows a chat window with a customer named Suman Vyas. The chat history includes a message from Team GFS at 04-Jul-2021 03:09:08 pm with a yellow notification: "Custom Order - Download Link. Your custom service order for Custom Offer for Malavika Trivedi - 04 Jul 2021 (GFS16) is ready to download. Click here to download now. Click here to submit feedback." Another message from Suman Vyas at 04-Jul-2021 06:42:38 pm says "Hi". A third message from Suman Vyas at 04-Jul-2021 06:57:38 pm says "I want Custom Offer. Kindly create for me".

Step 7:

After Clicking on create custom offer order button. In next tab create custom offer form will open, here you can create custom offer for that user by entering customer name, package name, delivery day, price and details.

The screenshot shows the "Create Custom Offer" form. The form fields are:

- Customer Name: Suman Vyas
- Package Name: Custom Offer for Suman Vyas - 04 Jul 2021
- Delivery Day: 10
- Price: 200
- Details: Custom Offer Test
- Service: (empty)
- Quantity: (empty)
- Channel Name In Plain Text

Here, you can also add services from the given option. You can also change/update the quantity of Individual service.

The screenshot shows the GFS dashboard interface. On the left is a dark sidebar with the GFS logo and navigation menu: Team GFS, Dashboard, Sub Vendor, Service, Custom Bundles (highlighted), Custom Bundle List, Pre-made Package, and List. The main content area displays a list of services with checkboxes and quantity input fields:

| Service: | Quantity: |
|---|-----------|
| <input checked="" type="checkbox"/> Channel Name In Plain Text | 1 |
| <input checked="" type="checkbox"/> Custom Designed Text/Emblem Logo | 1 |
| <input checked="" type="checkbox"/> Custom Designed Mascot/Esports/Own Face Mascot Logo | 5 |
| <input checked="" type="checkbox"/> Twitch/Facebook/YouTube Banners | 1 |
| <input checked="" type="checkbox"/> Screens x 6 | 1 |
| <input type="checkbox"/> Facecam Overlay - 4:3 / 16:9 | |
| <input type="checkbox"/> In Game Overlay | |
| <input checked="" type="checkbox"/> Panels x 10 | 1 |
| <input checked="" type="checkbox"/> Additional Panel | 2 |

By clicking on Send Offer button a Custom Offer will be created and will be sent to user asking him/her to make the advance payment..

The screenshot shows the GFS dashboard interface. On the left is a dark sidebar with the GFS logo and navigation menu: Team GFS, Dashboard, Sub Vendor, Service, Custom Bundles (highlighted), Custom Bundle List, Pre-made Package, and List. The main content area displays a list of services with checkboxes and quantity input fields:

| | |
|--|---|
| <input type="checkbox"/> Additional Animated Alert | |
| <input type="checkbox"/> Add Twitch Name In Plain Text On Banners, Screens, Facecam Overlay, In-Game overlay | |
| <input type="checkbox"/> Add An Existing Logo (To Be Provided By Buyer In Transparent Version) In All The Applicable Elements | |
| <input type="checkbox"/> Change The Color Scheme Of All The Elements (The New Color Scheme Has To Be Same Across All Elements) | |
| <input checked="" type="checkbox"/> Customized Source Files (.PSD) | 1 |
| <input checked="" type="checkbox"/> Animated Source Files | 1 |

At the bottom right of the main content area, there is a yellow button labeled "Send Offer".

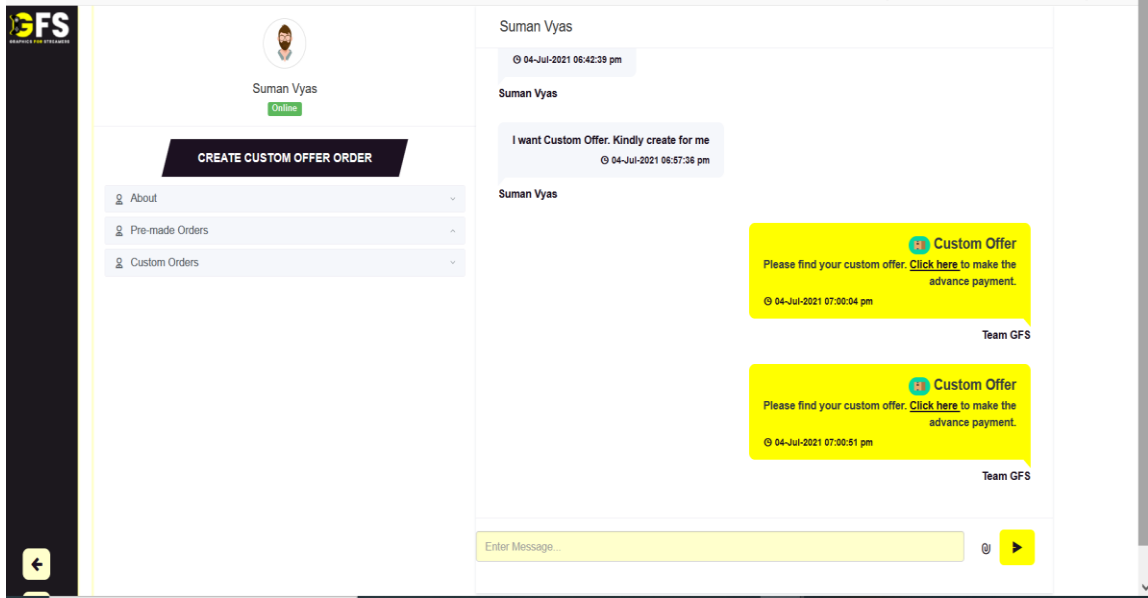

COPYRIGHT © 2021 GFS. • POWERED BY DIGHOST WEB SERVICES

You can use the Send Payment Link button to send the advance payment link to the customer.

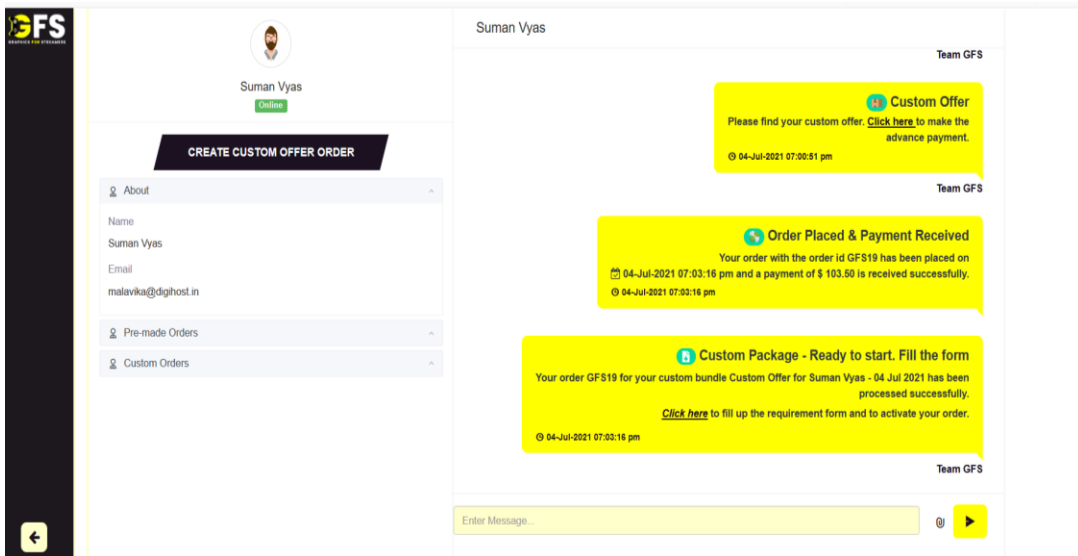

The screenshot shows the 'Custom Offer Order List' interface. On the left is a sidebar with a navigation menu under 'Team GFS' including Dashboard, Sub Vendor, Service, Custom Bundles, Pre-made Package, and a 'List' section with sub-items like Custom Package Orders List, Pre-made Package Orders, Free Downloads List, Custom Offer Order List, Payments List, User List, and Reviews List. The main content area displays a table with columns: Sr No, Package ID, User, Email, Type, Advance Payment, Balance, Total Payment, Advance Payment, Date, and Service Name. Two entries are visible, each with a 'Send Payment Link' button. Below the table, it says 'Showing 1 to 2 of 2 entries' and has 'Previous', '1', and 'Next' navigation buttons.

| Sr No | Package ID | User | Email | Type | Advance Payment | Balance | Total Payment | Advance Payment | Date | Service Name |
|-------|------------|-----------------|---------------------|--------------|-----------------|---------|---------------|-----------------------------------|-------------|--|
| 1 | P25 | Suman Vyas | malavika@dighost.in | Custom Offer | \$ 100 | \$ 100 | \$ 200 | Send Payment Link | 04-Jul-2021 | Custom Offer for Suman Vyas - 04 Jul 2021 |
| 2 | P23 | Siddhant Jadhav | siddhant@dighost.in | Custom Offer | \$ 100 | \$ 100 | \$ 200 | Send Payment Link | 04-Jul-2021 | Custom Offer for Siddhant Jadhav - 04 Jul 2021 |

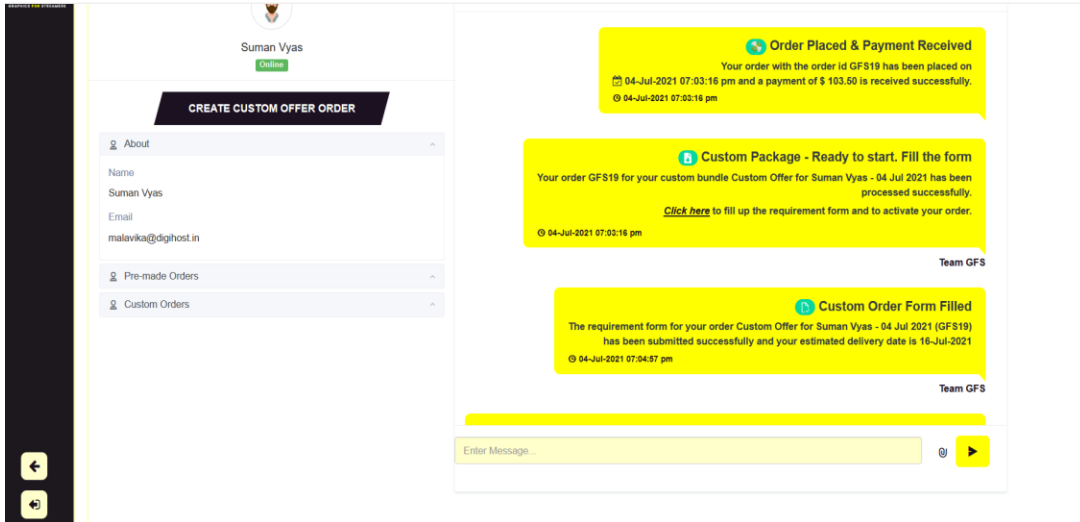

The screenshot shows a success message dialog box with the text 'mastven.graphicsforstreamers.com' and 'Payment link sent Successfully.' Below the text is an 'OK' button.

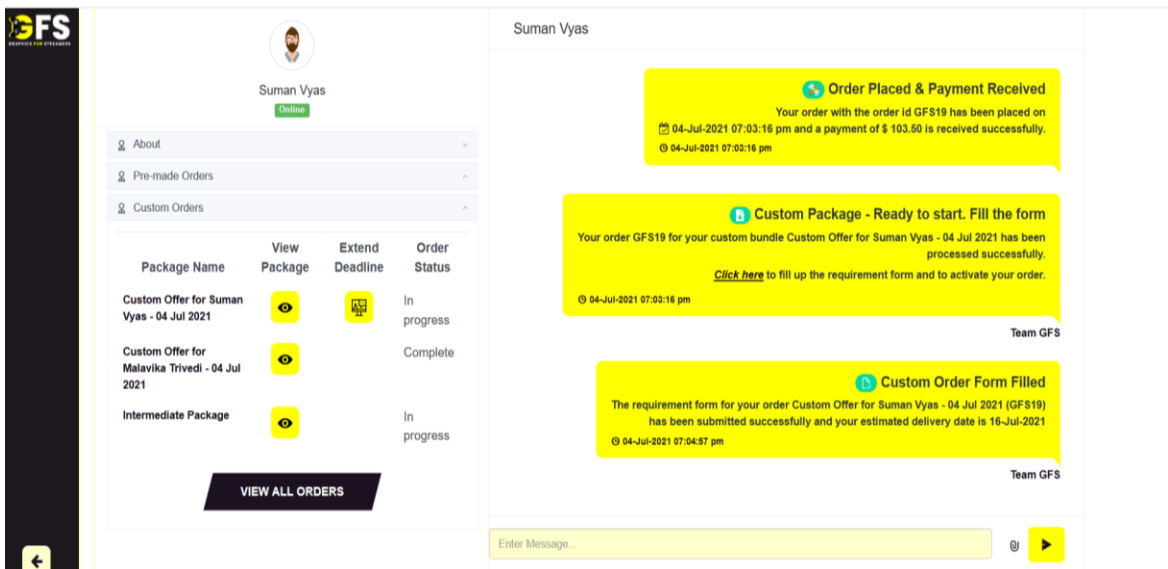

After sending payment link, once customer make the advance payment you will get a notification order placed and payment received.

You can then check customer requirement form.

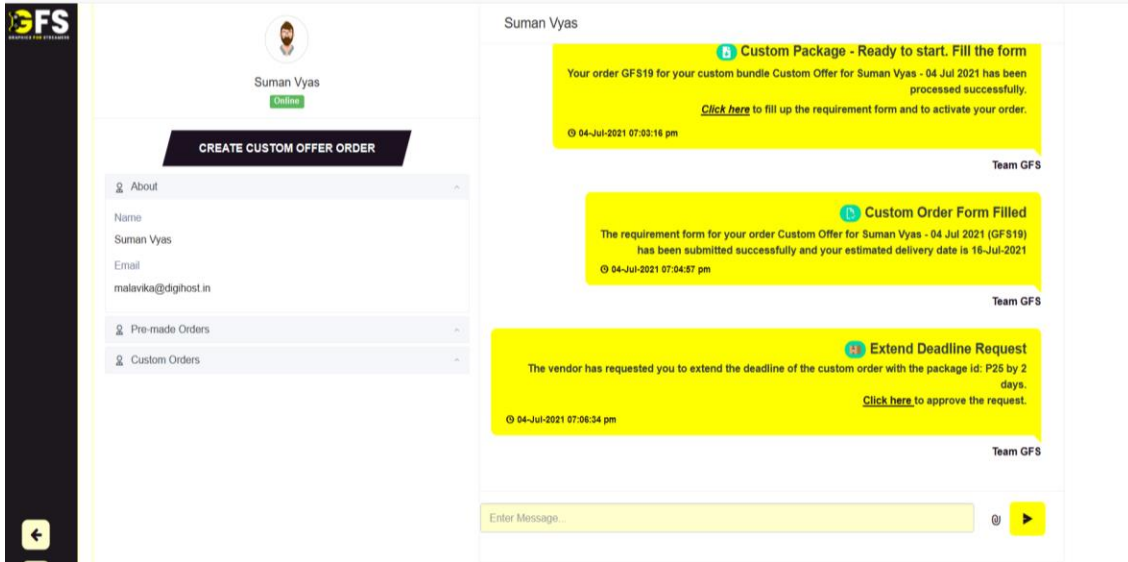

Under Custom Orders section, extend deadline option is available. From this option you can send the request to the customer for date extension.

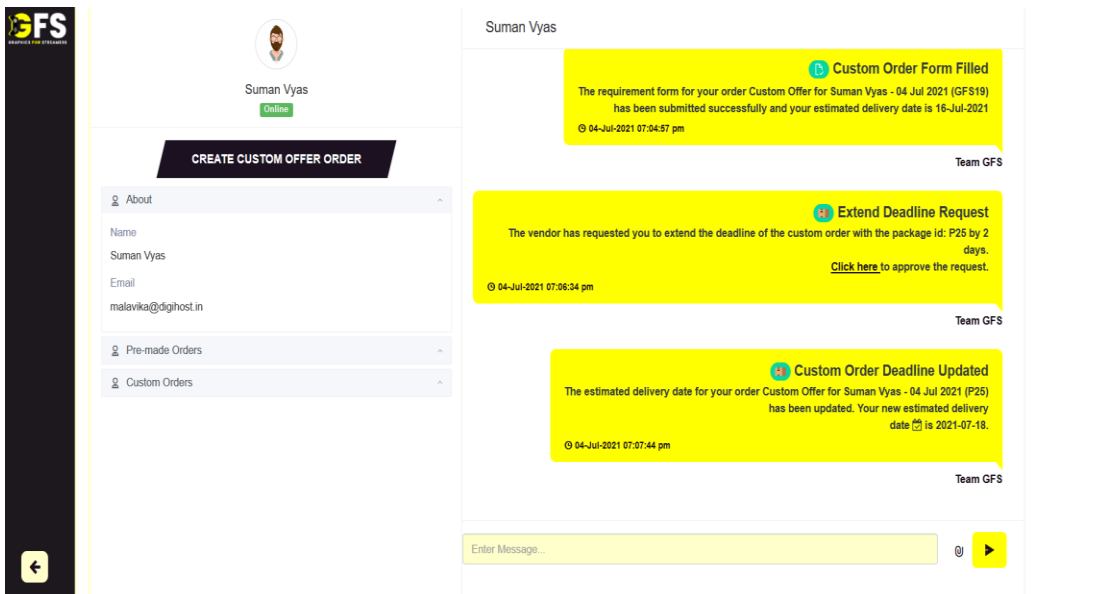

Here you can add the no. of days you want to extend.

The screenshot shows a web application interface. On the left is a dark sidebar with the 'GFS' logo and 'Team GFS' text. Below this is a menu with categories: Dashboard, Sub Vendor, Service, Custom Bundles, Pre-made Package, and List. The 'List' category is expanded, showing sub-items: Custom Package Orders List, Pre-made Package Orders, List, Free Downloads List, Custom Offer Order List, Payments List, User List, and Reviews List. The main content area has a dark header with a menu icon and 'GFS' logo. Below the header is a white box titled 'Extend Deadline Request'. Inside this box, there is a text input field labeled 'Enter Days' containing the number '2', and a yellow 'Submit' button.

The screenshot shows a gray background with a white notification dialog box in the center. The dialog box contains the text 'mastven.graphicsforstreamers.com' with a small icon to its left, followed by the message 'Extend Deadline Request Sent successfully.' and a blue 'OK' button.

Once customer approve the extend deadline request. Vendor will get the notification custom order deadline updated.

By Clicking Deliver Order option, you can complete the custom offer order.
